

VIRTUAL MAP INFO

The virtual maps have been tested in Roll20. The Roll20 configurations for all three floor maps are:

Width: $31 \times 70 = 2170$

Height: $16 \times 70 = 1120$

1 grid scale = 5 feet

Square cell type

Cell width: $1 \times 70 = 70\text{px}$

In short, all of the virtual map images are 31 cells high and 16 cells wide, and each cell is 70px square.
